MEMORANDUM FOR THE RECORD

Morning Meeting of 29 March 1966

DD/I noted receipt of a DIA booklet of biographic information [redacted] The information contains a good many errors. DCI asked that Bross take the matter under consideration and perhaps arrange a conversation with the Director of DIA. DD/P noted a special NSA SIGINT publication dealing with [redacted]

[redacted] The item hardly seems worth the special publication. Bross was also asked to take this matter and the recent NSA publication dealing with [redacted] under consideration for a possible DCI letter to the Director of NSA.

[redacted]

Godfrey briefed on the Ecuador situation. The junta is "essentially finished." He noted the critical nature of the current tobacco auctions in Rhodesia and reported on the first news of the current Party Congress in Moscow.

In answer to DCI's inquiry Kent said that [redacted] has returned from his trip to the Far East and is preparing a memo for the DCI.

ADD/S reported on statistics prepared by the Office of Education forecasting a substantial rise in bachelor and masters degrees over the next four years. This is of interest in connection with our recruiting effort.

ADD/S reported on reorganization of the NSA training school which [redacted] The Office of Training will be working in cooperation with this NSA facility.

ADD/S reported that Howard Osborn and members of the CI Staff and DIA will appear before the Knox Panel today to discuss security and compartmentation.

Houston reported that Representative Mahon had signed and sent forward to Senator Russell for the latter's signature a letter approving the Agency's supplemental request.

Houston noted current developments affecting the House Armed Services Committee and DOD with the Committee anxious to determine ground rules for application of security to classified information.

Houston noted favorable remarks made by two Congressmen concerning the DCI and his receipt of the NSIA award. Thank-you letters will be prepared for the DCI's signature.

At DCI inquiry Houston said that we continue to press for Congressional hearings of our 67 budget but that there is no time scheduled for the presentation.

DD/S&T noted that Assistant Secretary of Defense Howard will be here this morning to brief DCI on the nature of safeguard controls applying to nuclear weapons at NATO facilities. Representatives of DD/I and ONE will attend.

DD/S&T noted receipt of a recent letter from General Carroll to the DCI pointing out that DIA will undertake to consolidate intelligence requirements from the various service R&D components.

DD/S&T gave to DCI a Space Event Report wrapping up all evidence and analysis pertaining to last July's first proton shot by the Soviets. DCI asked DD/S&T to consider renaming this particular FMSAC series of reports to acquire greater reader interest. Executive Director noted that a forthcoming look by outside consultants at our publications, format, cover sheets, etc., will be of use to DD/S&T in this regard.

Executive Director briefed on current Agency plans and policy for summer employment. There will be two basic programs--the employment of college students, all of whom will be children of Agency employees, and the other related to the President's Youth Opportunity Campaign, which will permit the hire of underprivileged youths in non-sensitive "public works" type employment outside classified areas. Executive Director stressed the importance of ensuring that negative

responses are given to outsiders requesting that their children be hired for our classified summer employment work.

ACTION:

1. In preparing for a presentation to Higher Authority on the issue of OXCART deployment, detailed papers are to be prepared on the nature of intelligence coverage and gaps in China and Vietnam and to make a point of a current lack of basic early warning information. DD/I and DD/S&T will work together in this. DD/S&T will also undertake to do a paper on the important question as to whether or

if OXCART is authorized. ONE is requested to prepare a list of the various possible and optional reactions of the ChiComs to the introduction of OXCART. (DD/S&T, DD/I, ONE)
