Dear Red:

You and members of your staff are invited to join me in review of a video summary of MU I-66, an interagency politico-military game dealing with an Arab-Israeli confrontation. Individuals listed in the enclosure were suggested as having particular interest in this subject. The summary will be presented at 1400, 17 May 1966 in Room 5C1042, the Pentagon.

In the event you are unable to attend this review, the Joint War Games Agency will have available a 16-mm film of the briefing for viewing at your convenience and for the benefit of your staff.

The Joint War Games Agency point of contact is Lt Colonel Walter S. Seadler, OX 7-9892.

Sincerely,

*Bles*
