Mr. Jackson reported that from talks with Dr. Langer and Admiral [] he felt that Captail [] would not fit in with ONE. Admiral [] will talk to [] and we will be willing to release him to Admiral []. The DCI said that Admiral [] should look for a replacement for Captain [].

25X1

Mr. Jackson reported on a talk with Gordon Grey. Mr. Grey said that he is giving four days a week to his work at present but will tell his Board that he will have to work on a full-time basis for some months. The DCI said that it was imperative for Grey to find an executive assistant immediately.

The Director stated that he would get [] to come over and talk to him. He feels that [] should take the job as Grey's deputy with the understanding that he can always come to CIA at any time.

25X1

Mr. [] said that Senator McCarthy might precipitate a newspaper exposure on the 29 cases in the State Department awaiting Loyalty Boards. One of these cases is with us, and his name might possibly come out.

Mr. Jackson reported that Trubee Davison had talked once more to General [] who is now in New York looking for a job. It was suggested that the DCI see him on Tuesday or Wednesday of next week. The DCI feels we should have someone to deal with Air Force. Mr. [] stated that this had already been arranged and, consequently, DCI feels that we should delay action on []. Mr. [] reported that all interested departments and agencies are giving Mr. Grey at least one person under the "14 points". Mr. [] will find someone from CIA.

The Director stated that he will see General [] on his arrival this afternoon. Mr. Stassen is coming in at about the same time and the Director wants Mr. [] to be present when Mr. Stassen is here.

[Redacted block]

Mr. [] reported that he had a long meeting with State Department as to our Far East policy at which the question of [] was discussed. It was decided to concentrate more on the military and []
