

TOP SECRET

Notes by [redacted] DCI

Director's Meeting

Thursday, 26 July 1951

Mr. Jackson reported that Mr. Davison had talked to Gen [redacted] and stated that we might possibly be able to use him. The DCI feels that General [redacted] might be very useful in planning one or two operations we have in mind. Mr. [redacted] will follow this.

25X1

The DCI said that General [redacted] cannot go to Indo-China on account of health. However, we might use him in some other job, and Mr. [redacted] should talk to him.

25X1
25X1

Mr. Jackson reported that he had talked to [redacted] who will come down in September to look over our legal setup. Mr. Jackson also mentioned that Loyalty Board procedures are very bad and that [redacted] should also review them.

25X1

25X1

Mr. Jackson stated that he finds OSO Planning, stay behind nets, etc. on assumptions that they have determined themselves based on no JCS information. The DCI stated that these plans should be coordinated with the Joint Planning Group. Mr. [redacted] will follow this and determine whether OSO plans cannot be coordinated in the same satisfactory manner as OPC plans.

25X1

Mr. Jackson also noted that every division of OSO has a different staff setup. He has referred this matter to General Wyman and Mr. [redacted]

25X1

Mr. Jackson asked about General [redacted]. The DCI believes that he is committed to us, and Mr. Wolf thinks that he will report for duty in September.
