Noted by [redacted]

OFFICIAL DIARY

Wednesday, 18 July 1951

After speaking to Dr. Langer, called [redacted] and told him that [redacted] would be the CIA member of the drafting team for the NSC 68/4 report.

25X1

Mr. Reber's office called in regard to the Atomic Paper for the IAC meeting tomorrow. The Director said that it would be considered and I told Reber to put it on the agenda. Called [redacted] and told him not to release the semi-annual atomic report until after we received an okay from the DCI after the IAC meeting.

25X1

[redacted] stopped in to discuss the possibility of his being recleared for special source intelligence.

Had a meeting with [redacted] and Hanson on our contribution to the NSC 68/4 report. [redacted] will write the draft. Gave him the memos from OCI, OSI, ORR, and ONE which had been prepared for Mr. Jackson. State Department and the Services will bring their contributions to the IAC meeting tomorrow. Asked [redacted] to have OPC, OSO, and OO memos by tomorrow noon. [redacted] will have draft by Friday night. This will be cleared with Mr. Jackson and the IAC agencies on Monday.

Called [redacted] and advised him that I thought Dr. Chadwell and [redacted] should be present for the atomic part of the IAC meeting.

Mr. Henderson of AEC has prepared a memorandum defending our atomic paper and suggesting that Navy and Air Force withdraw their dissent and comments.
