MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Congressional Debate on U-2

1. This memorandum is for information only.

2. I talked with Mr. Macomber of State about the coming sessions with Senator Lyndon Johnson and Mr. Kilday's Subcommittee on the plane episode. He thought both were desirable but outside of our Subcommittees he felt State would want to resist any further committee hearings on the matter. He hoped we could hold the line in this regard.

ILLEGIB

and the Sputnik, and now the handling of the plane mission. He urged the Chairman of the Senate Foreign Relations Committee to hold hearings on establishing a joint commission on intelligence.
