

25 YEAR RE-REVIEW

61-245

10 JAN 1961

[Redacted]

Room 1005, Temporary A Building
2nd and T Streets, S. W.
Washington, D. C.

Dear [Redacted]

As Sherman Kent has indicated to you by telephone I very much hope that you will accept a position with my Board of National Estimates.

I have been most concerned over the years to have distinguished retired senior officers from Army, Navy, and Air Force serve on the Board, not to represent the particular views of their branch of the service but to advise me generally on military matters. I have also counted on these officers -- as on all other members of the Board -- for a wide range of intelligence judgments of a non-military nature. I know that your broad knowledge and experience will add greatly to the Board's general effectiveness, and would be delighted to have you as a member.

I trust that you will not hesitate to be in touch with Sherman for the answer to any questions of an administrative nature.

Sincerely,

SIGNED
