Dear Bill:

It was a real pleasure to receive your letter of 20 October concerning your daughter, Stephanie, and kindly express my sincere congratulations to her.

I do recall quite well when she entered Radcliffe College which, by the way, only seems like yesterday. Your thoughtfulness in writing to me about Stephanie is indeed appreciated.

Clover joins me in very best wishes and kindest personal regards to you and Shirley.

Sincerely,

My dear Allen:

You may recall you were good enough to act as sponsor and to recommend my daughter, Stephanie, for admission to Radcliffe College three years ago.

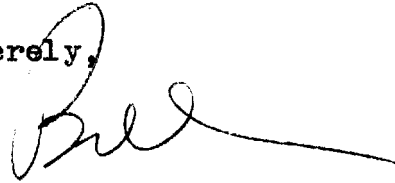

I know you will be happy to hear she is in her junior year taking advanced courses in order to graduate next June.

We have now announced her engagement to a fine young man, a namesake of yours and Junior's, Allan Rosen. He is a senior at Harvard, was elected to Phi Beta Kappa in his junior year and is, scholastically, sixth of the entire student body at Harvard.

Shirley and I felt sure that you and Clover were entitled to know this.

Best regards to you and yours.

Sincerely,

Hon. Allen W. Dulles
