Lt. General Walter B. Smith  
Director, Central Intelligence Agency  
Washington, 25, D. C.

Dear General Smith:

I find that I can be in Washington Friday of this week, December 1. If this would be convenient for you and Dr. Langer, please suggest a time and place of meeting.

If I am to be in Washington on Friday, I must leave Durham Thursday evening. I usually stay at the Cosmos Club while in Washington.

Very truly yours,
