MEMORANDUM FOR: Representatives of the National Foreign Intelligence Board

SUBJECT : Intelligence Coverage of Cuban Involvement in Angola

25X1

1. In late June the DCI asked that a member of the IC Staff be assigned to monitor intelligence collection from all sources on Cuban involvement in Angola and to ensure that the Intelligence Community is producing the maximum intelligence on this subject. Mr. [redacted] of the IC Staff has been designated to carry out this task, and to assist him I am asking that members of the Community involved in production and collection on Cuban involvement in Angola meet on Friday, 22 July, 1030 hours in Room 5G00 CIA Headquarters Building.

25X1

2. During the meeting we will try to assess the current state of our collection and production efforts and determine what additional steps can be taken to improve it. Because the conference room is small, I am requesting that each component send only one representative. Please call the name to [redacted] by noon, 21 July.
