MEMORANDUM FOR:

Director of Performance Evaluation  
and Improvement, Intelligence  
Community Staff

[Redacted]

Acting National Intelligence Officer  
for Latin America

SUBJECT : Intelligence Community Coverage of Cuba

I much appreciated your comprehensive memorandum of 12 November. The systematic approach you describe has a great deal to recommend it. I would hope, however, that as intelligence needs are identified, per your paragraph 4.I., you will advise collectors expeditiously, rather than wait until a "Collection Strategy" is developed. With that qualification, I heartily endorse the procedures you describe.
