

THE WHITE HOUSE
WASHINGTON

Bulganin

Moscow 10 March

"We cannot assume that the imperialists are expending enormous material resources and vast sums of money on armaments merely to frighten us. We cannot reckon also on the humaneness of imperialists who, as life has shown, are capable of using any weapons of mass destruction. We must be constantly ready to offer crushing rebuffs to any enemy possessing any weapons."

THE WHITE HOUSE
WASHINGTON

Voroshilov - Leningrad - 10 March

"Russian scientists 'in a short time
have succeeded in harnessing
atomic energy in the service
of socialist economy' "

Tass
