

Dear Sir,

Executive Registry  
11-367

In hearing of all the events bechring in Cuba, ~~with~~ the same pattern ~~of~~ every country was taken over by the communists in the name of "democracy and freedom and peace!"

Since we are always really aiding the pro-Communist causes, while voicing the contrary, it's obvious the 26 or more years of propaganda has laid the groundwork well. How dreadful!

Maybe you're not even a dupe.
