MEMO FOR Allen Dulles

Scty Quarles mentioned last night your inquiry about the IDP (Intelligence Deployment Plan). Gen. Erskine, who is out of town, was going to discuss with you. Actually, we ran into some problems on the IDP in connection with the FY 60 budget. A task group here is working further on it, to try to resolve the ^{internal} problems by Monday afternoon. When these are ironed out, I know that Erskine intends to bring the IDP to your attention.
