THE ATTORNEY GENERAL  
WASHINGTON

March 7, 1951

Dear General Smith:

Thank you for your letter notifying me that the Secretary of Defense has transmitted to you the material submitted by Antoine Gazda which I had given to him.

Since Mr. Gazda has spent considerable thought and energy on this problem and is motivated solely by a patriotic desire to be of service to the country, I think it would be a fine gesture if some of your people working on this project would confer with him. He should make an excellent consultant on this subject. From what I know of Mr. Gazda, he is a tireless worker, and I feel you can secure much good from his expert knowledge.

He is not interested in Federal employment.

Sincerely,

Attorney General

General Walter B. Smith, Director  
Central Intelligence Agency
