

25 YEAR RE-REVIEW

MEMORANDUM FOR: THE DIRECTOR

The Contact Office, [redacted] in [redacted] presently occupies [redacted] square feet of space. The Government Services Administration is considering the erection of a new Federal Office Building in that city.

25X1  
25X1

In a letter dated 7 April 1955 GSA suggested that the CIA activity located [redacted] be included in the space forecast for the new structure and requested an estimate of our space requirements, together with a Certificate of Need and GSA Form T90.

The attached letter is our reply, and attached thereto are the requested Certificate of Need and

completed Form T90. All require your signature.

Recommend three signatures.
