Dear Senator Dirksen:

In February 1954, I requested you to introduce four private bills providing for permanent residence for five refugees whose cases I considered to be quite meritorious.

I would like to take this opportunity of thanking you for your kindness in handling this matter for us. It has been of considerable assistance, particularly as you were able to secure their enactment without any reference to CIA interest. I would also like to have you express our thanks to Mr. Gomien of your office, who has kept us continually advised as to the status of these bills.

With kindest regards, I am

Sincerely,
