Mr. Stephen J. Spingarn
Assistant General Counsel
Treasury Department
Washington 25, D. C.

Dear Mr. Spingarn:

It was very flattering of you to propose that I address the national Counter Intelligence Corps convention in Chicago on August 7th, and I am most happy to accept. Although the field of the Central Intelligence Agency is not the same as the Counter Intelligence Corps, it, of course, does have a very close relationship to it.

At a later date I hope that you will give me any more information as to the exact time and also any changes that may occur.

Sincerely,

Signed

R. H. Hillenkeetter
Rear Admiral, USN
Director of Central
Intelligence
