Thank you for your letter of 27 July enclosing your resume. It was good to hear from you.

Our Director of Personnel has referred your papers to those Agency officials most interested in individuals with your extensive background and experience. As soon as this review has been completed, we will get in touch with you further. I would be less than candid, though, if I did not inform you that our vacancies are very limited at this time due to reductions in our personnel strength.

Your desire to be of service to this Agency is appreciated and you may be sure you will receive every consideration.

Faithfully,

/s/ Vernon A. Walters
