Lt. General Vernon A. Walters  
Deputy Director, Central Intelligence Agency  
McLean, Virginia 22101

Meu Prezado General:

Venho por meio desta candidatar-me for employment with your organization. I made a precipitous decision to retire from active duty on the first of March, and seek that fabulous second career while I was still "young."

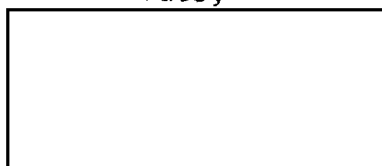

Based on my own analysis, I have concluded, perhaps unjustly, that my education and experience have application in other government agencies, such as the CIA, in which the organization and procedures are generally similar to those in Defense.

Not wanting to lean too heavily on our acquaintance, I would ask you to consider two actions: advice that an entry into CIA would not be timely, or referral of my resume to your personnel people. I would be happy to provide them additional personal information and references, or to schedule an interview.

Com sinceros votos de felicidade e continuado sucesso,

Um abraço,
