Lieutenant General Vernon A. Walters
Deputy Director, Central Intelligence Agency
Washington, D.C. 20505

Dear General Walters:

Thank you for your most interesting presentation to our Advanced Course students. General Patton and others tell me that the talk was received with enthusiasm, and I'm sure the students left the auditorium with a much better concept of the role of the Central Intelligence Agency.

Again, my thanks for your visit and for your informative address.

Sincerely,

William R. Desobry
