Chairman, Projects Review Committee
Thru: Executive for Personnel and Administration
[Redacted] Acting Chief, ICAPS

9 December 1946

25X1

Move FBIS Monitoring Station from [Redacted]
to [Redacted]

25X1

1. Recommend approval of this project if funds can be made available.
2. Examination of attached papers indicates that current FBIS activities in [Redacted] may be curtailed or eliminated due to POC requirements, and that new station recommended will provide --
 - a. Better year-around reception
 - b. Wider world coverage
 - c. Permanence of operations
