12. [Redacted] LIAISON Called Ted Ralston, Senate Select Committee on Intelligence staff, regarding the 27 February letter from Chairman Birch Bayh (D., Ind.) to the Director requesting unsanitized copies of memoranda previously supplied to the House Select Committee on Intelligence, Chaired by Representative Otis G. Pike (D., N. Y.). Ralston said the issues raised in Chairman Bayh's letter need not be addressed specifically by the Director, that the Committee was only asking for unsanitized copies of the documents enclosed. I told Ralston many of these were over five years old and appeared to be very informal and I therefore suspected it would take some time to locate them all. Ralston indicated this was fine.
