1. The south bank of the Sazava River north of Brezany (N 49-50, E 14-32) is occupied by military barracks to a depth of several hundred meters. The following observations were made at this place from route No. 106 between Kamenny Privoz and Chrast:
 - a. About 20 single-story, wooden barracks 30 to 50 meters long. Some of these were troop quarters, some of them mess halls, others of them stores or depots.
 - b. About 60 T-111, T-805, or V.3-S military trucks in the court of these buildings.
 - c. About 30 garages and tank shelters.
 - d. A large exercise area at the extreme south of the area.
2. In the neighborhood of this installation were observed about a hundred officers and men, the greater part of whom wore black epaulettes with red borders or black epaulettes with artillery insignia. Also observed were about 12 men with the brown epaulettes of the motorized transport.

3. map section showing the location of the installation described.
