MEMORANDUM FOR:

Approved For Release 2005/07/12 : CIA-RDP80T00634A000900070001-0

I want to call your attention to the attached memorandum because of its policy-planning implications. In essence, our calculations indicate that because of a surge in manpower resources, Cuba's capabilities for expanding the country's armed forces and foreign assistance programs will be increased significantly well into the 1980s. We would appreciate any comments you might have on this memorandum.
