MEMORANDUM FOR: Director of Communications  
 Director of Data Processing  
 Director of Finance  
 Director of Logistics  
 Director of Medical Services  
 Director of Personnel  
 Director of Security  
 Director of Training

FROM: Michael J. Malanick  
 Associate Deputy Director for Administration

SUBJECT: Application of DDA Policy on Nepotism

1. Would you please let me have by COB 6 July a short note on the way you apply the policy on nepotism within each of your Offices. What I am particularly interested in is at what level within your own component do you apply the policy, i.e., Office, Division, Branch? At what level do you think it should apply? Should it be divided into sub-groups? For example, should we accept the employment of individuals providing that their career management did not fall under the same career sub-panel categories?

2. I would appreciate your views.
