

3 December 1975

MEMORANDUM FOR: Action Plan Task Force
SUBJECT : Proposed Review of Draft Reports.

1. The attached is a try at developing an approach to the security review of Congressional Reports. It addresses only HSC papers, which are likely to present the first large processing problem. It is intended to discuss the problem and outline how to proceed.

2. It would be appreciated if you would be prepared to comment at the Friday meeting of the Action Plan Task Force.
