MEMORANDUM FOR: Deputy Director for Administration
FROM: James H. McDonald
Director of Logistics
SUBJECT: Request for Approval of
Full-Time Sponsored Training

STATINTL

1. The Office of Logistics (OL) strongly endorses and requests your approval for Mr. [REDACTED] to attend the 19-week Logistics Executive Development Course at the Army Logistics Management Center, Fort Lee, Virginia.

STATINTL

2. We are looking at this course with the thought of possibly including it in the OL training program for emerging high potential managers. Hopefully the result of this would be to train a cadre of middle managers who are fully professional in the theory of logistics as well as the practical application which we teach. Mr. [REDACTED] attendance in the course will give us an excellent opportunity to evaluate the course as well as to enhance his value to us through formal training.
