MEMORANDUM FOR: Director of Logistics  
Deputy Director for Administration  
~~Agency Training Board~~  
FROM :   
SUBJECT : Appreciation for Full-Time, Agency-Sponsored Training

Having recently completed two semesters of full-time, Agency-sponsored training at the University of Maryland, I wish to thank those who supported and approved my training. My two semesters at the University of Maryland proved to be some of the most challenging and enjoyable months I have experienced; I feel certain the knowledge I have gained from this experience will enable me to perform my next and future assignments more professionally. Again, thank you for the opportunity; I hope my future performance will be a tangible measure of my appreciation and will reflect credit upon the Office of Logistics and the Agency.
