Mr. Bush
[redacted] 25X1A

1. Draft memo to Executive Director-Comptroller regarding "Assignments
25X1A [redacted]" reviewed by DD/S. It was coordinated
informally with OGC, Office of Personnel and Office of Finance.
Comments from those offices have now been received and have been
discussed with DD/S. DD/S has requested that it be sent to the
new Travel Committee for their review and submission of comments
and recommendations to him. The draft memo was sent to the Chair-
man of the Travel Committee on 7 May 1969.

The Committee met on 3 July and it was consensus that the subject was
more related to Retirement policy than to Travel policy. Consequently
in the next Committee meeting in early August a memorandum to this
effect addressed to the DD/S will be tabled, discussed and subsequently
released. We are advised that the memo will include the Committee's
views regarding the proposed policy.

STATINTL Per

Committee met early July and considered this proposal. Majority felt this not, in fact, a travel matter but rather is more concerned with retirement. Members took copies of draft memo and will meet again early August. Tom of opinion a memorandum containing committee consensus will be written to DD/S suggesting this not be a Committee matter. Memo will, however, give Committee's views on proposal.

Chas:

I talked to [REDACTED] again today regarding the status of the Travel Policy Committee's action on the draft memo sent to them on 7 May 1969. Tom advised me that the Committee met in early July and it was consensus that the subject was more related to Retirement policy than to Travel policy. Consequently in the next Committee meeting in early August a memorandum to this effect addressed to the DD/S will be tabled, discussed and subsequently released. The memorandum will, however, give the Committee's views on this proposal.

If you are agreeable I propose to update our suspense list on this item with the following note:

The Committee met on 3 July and it was consensus that the subject was more related to Retirement policy than to Travel policy. Consequently in the next Committee meeting in early August a memorandum to this effect addressed to the DD/S will be tabled, discussed and subsequently released.

██████████ informed me today that copies of the proposal contained in the draft memorandum attached were distributed today to the members of the Travel Committee. The Committee will meet next week to discuss this proposal. Tom said that he had previously talked to ██████████ on the question of legality of proposal and Jim said that it could be considered legal if the Agency chose to stretch a little on our adoptive authorities.

Charley —

JSW suggests you might
want to provide more general
benefits - i.e., travel or shipment
to some place other than D.C.
