4 November 1944

MEMORANDUM TO ALL BRANCHES, RESEARCH UNIT:

Colonel Mayer is departing shortly on a trip to all the US intelligence agencies in the Pacific Theater, Southwest Pacific Theater, India-Burma Theater and the China Theater.

Colonel Mayer would like to have from each Branch of the Research Unit a list of any intelligence difficulties they may have with the above theaters and any types of specific information which the same theaters would be asked to emphasize. These lists should be made up separately for each theater to make for easy reference by Colonel Mayer.

Colonel Mayer will be glad to consult with Branch Chiefs at any time on any phase of this.

It is requested that these lists be submitted to the Supervisor of Research by 8 November 1944.
