INFORMAL MEMORANDUM FOR THE CHIEF, POLICY STAFF:

Subject: Negotiations with DMI.

1. During the series of conferences held between G-2 and DMI during the visit of the latter to Washington, was any action taken to have DMI direct all British agencies under his control to transmit captured Japanese documents to Washington? There is no record in MIS that such a request was made nor is there any record that the DMI has sent instructions to the field. The India-Burma Command says that all captured Japanese documents taken in that theater are the property of the British or the Chinese. The information requested above is necessary in order that a proper request may be made on the DMI or if the request has been made, that follow-up action be taken.

2. An early response will be very much appreciated.

J. R. LOVELL,
Colonel, G. S. C.,
Chief, Military Branch.
