

CONFIDENTIAL

S. 1035

14 December 1967

Mr. Thomas L. Hughes
The Director of Intelligence and Research
Department of State
Washington, D. C. 20520

Dear Tom:

Enclosed are copies of the main papers we have in our files on S. 1035. We do not have John Macy's testimony, but in the file is a copy of the Attorney General's letter to Senator Ervin. Our analysis is contained in the copy of the letter to Chairman Rivers of our Subcommittee, and a copy of this was forwarded in draft by my letter to Mr. Yeagley. This was replied to by the enclosed letter from Mr. Wozencraft.

As I mentioned at the meeting today, Len Meeker gave the Secretary a tentative opinion on 30 August 1967, which I assume can be obtained from the Department of State.

Please let me know if you want anything more.

Sincerely,

s/

Lawrence R. Houston
