6. Your memorandum for the record did not indicate that the [redacted] and Soviet Propaganda topics were covered. Unless you indicate otherwise I will assume they were, not.

4. My tentative briefing schedule is attached. In looking to the future I have the following questions.

A. Should I move PRC-VN Relations from 15 August to 26 July? *Yes*

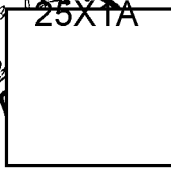

B. At the NIO/NP's request I have scheduled an NIO meeting on the North Korean Military Situation for 16 August since he wants to explore the methodologies used, verifications done, etc. If you prefer not to pursue this matter in such a populous forum I will nominate another topic for this meeting. *OK*

C. Who do you want to brief the President when you are gone which I think is 21-31 July and 7-13 August? *DDAI ①*
NSAC ②

D. The ASEAN foreign ministers will meet here 3-4 August. When I asked, "Should we brief on ASEAN?" ANIO/EAP answered, "Only if policymakers think ASEAN is a significant regional economic organization. Then we should dissuade them." In light of the above do you want to pursue a briefing on ASEAN? *25X1A*

17 JUL 1976

Yes - I need to be dissuaded - however strong I am but need to understand why it's not important
