

DCI Notes
17 October 1978

I R A N

Last few weeks - discouraged by Shah's performance

Lost composure in major riots last month.

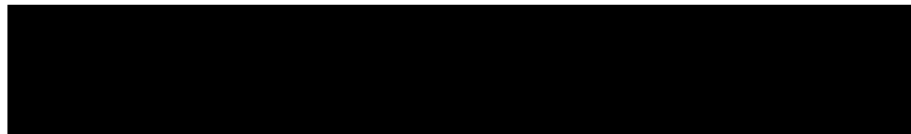

Appears lost again in comparatively mild events of first week
of October.

Such matters as considering another PM

Precipitate reordering procurement priorities - probably
correct decision, but appears to have been made in retreat

Shah's concern moment - weather December -

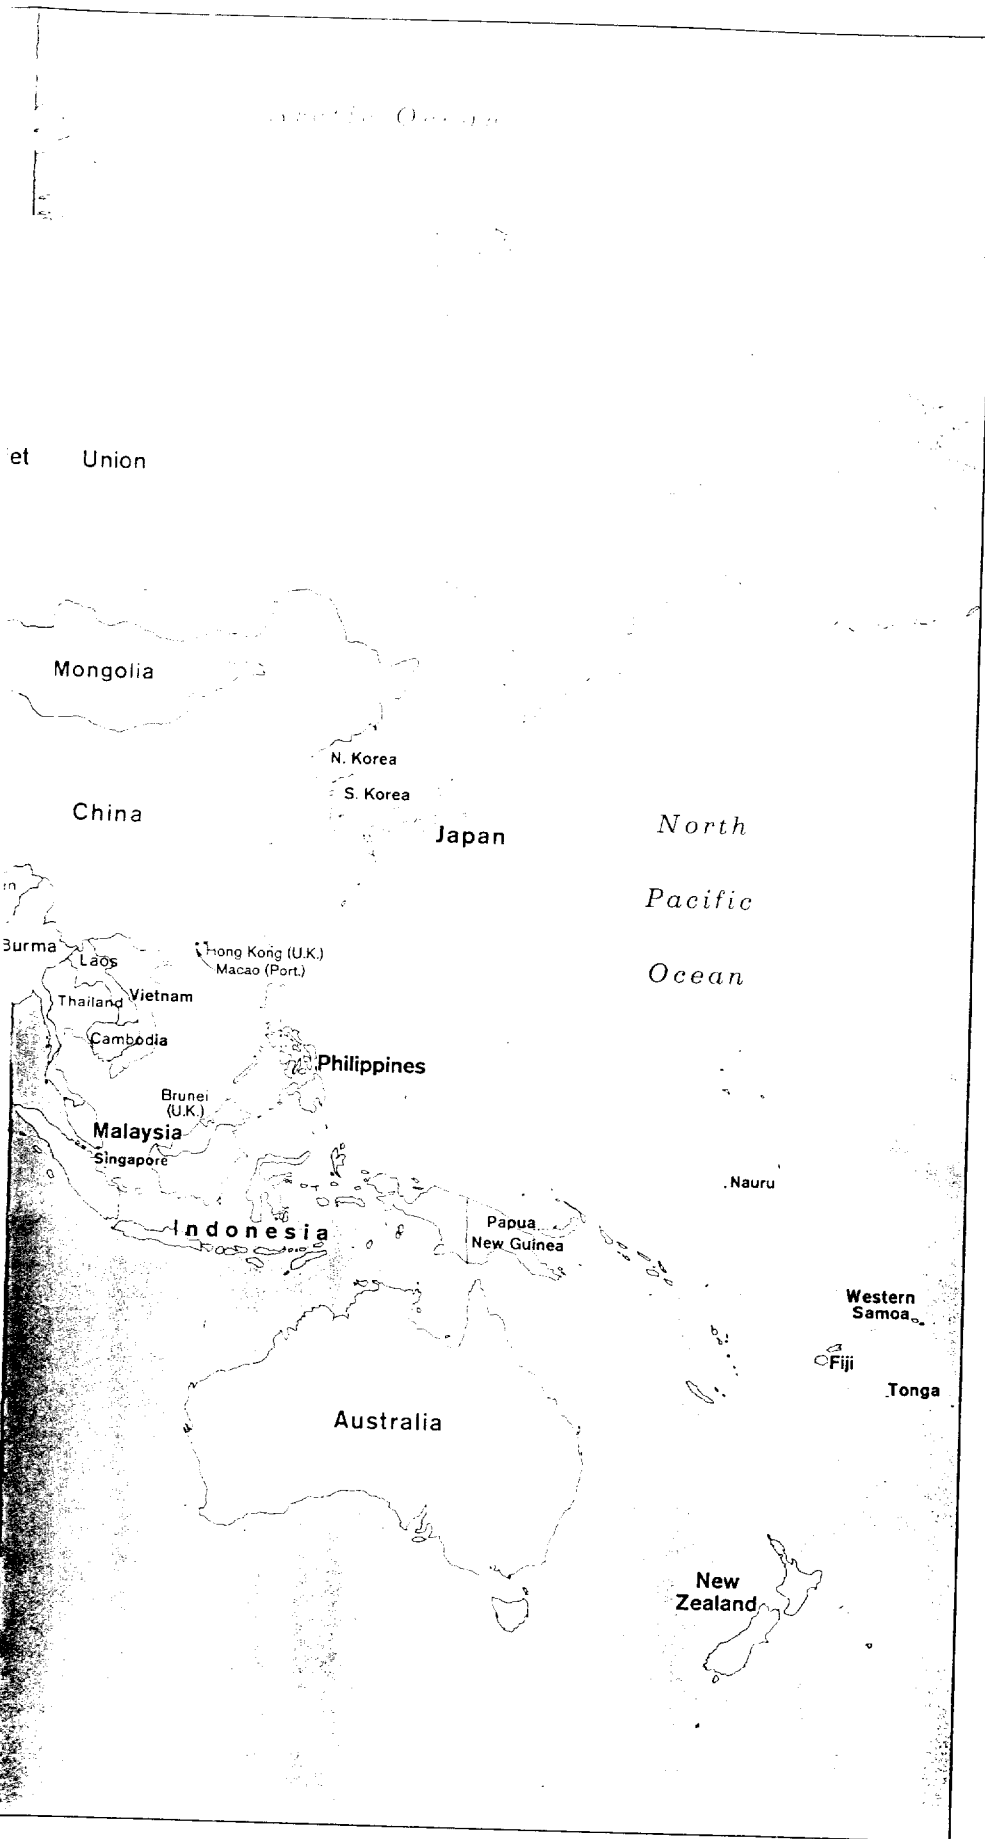

Religious month of mourning

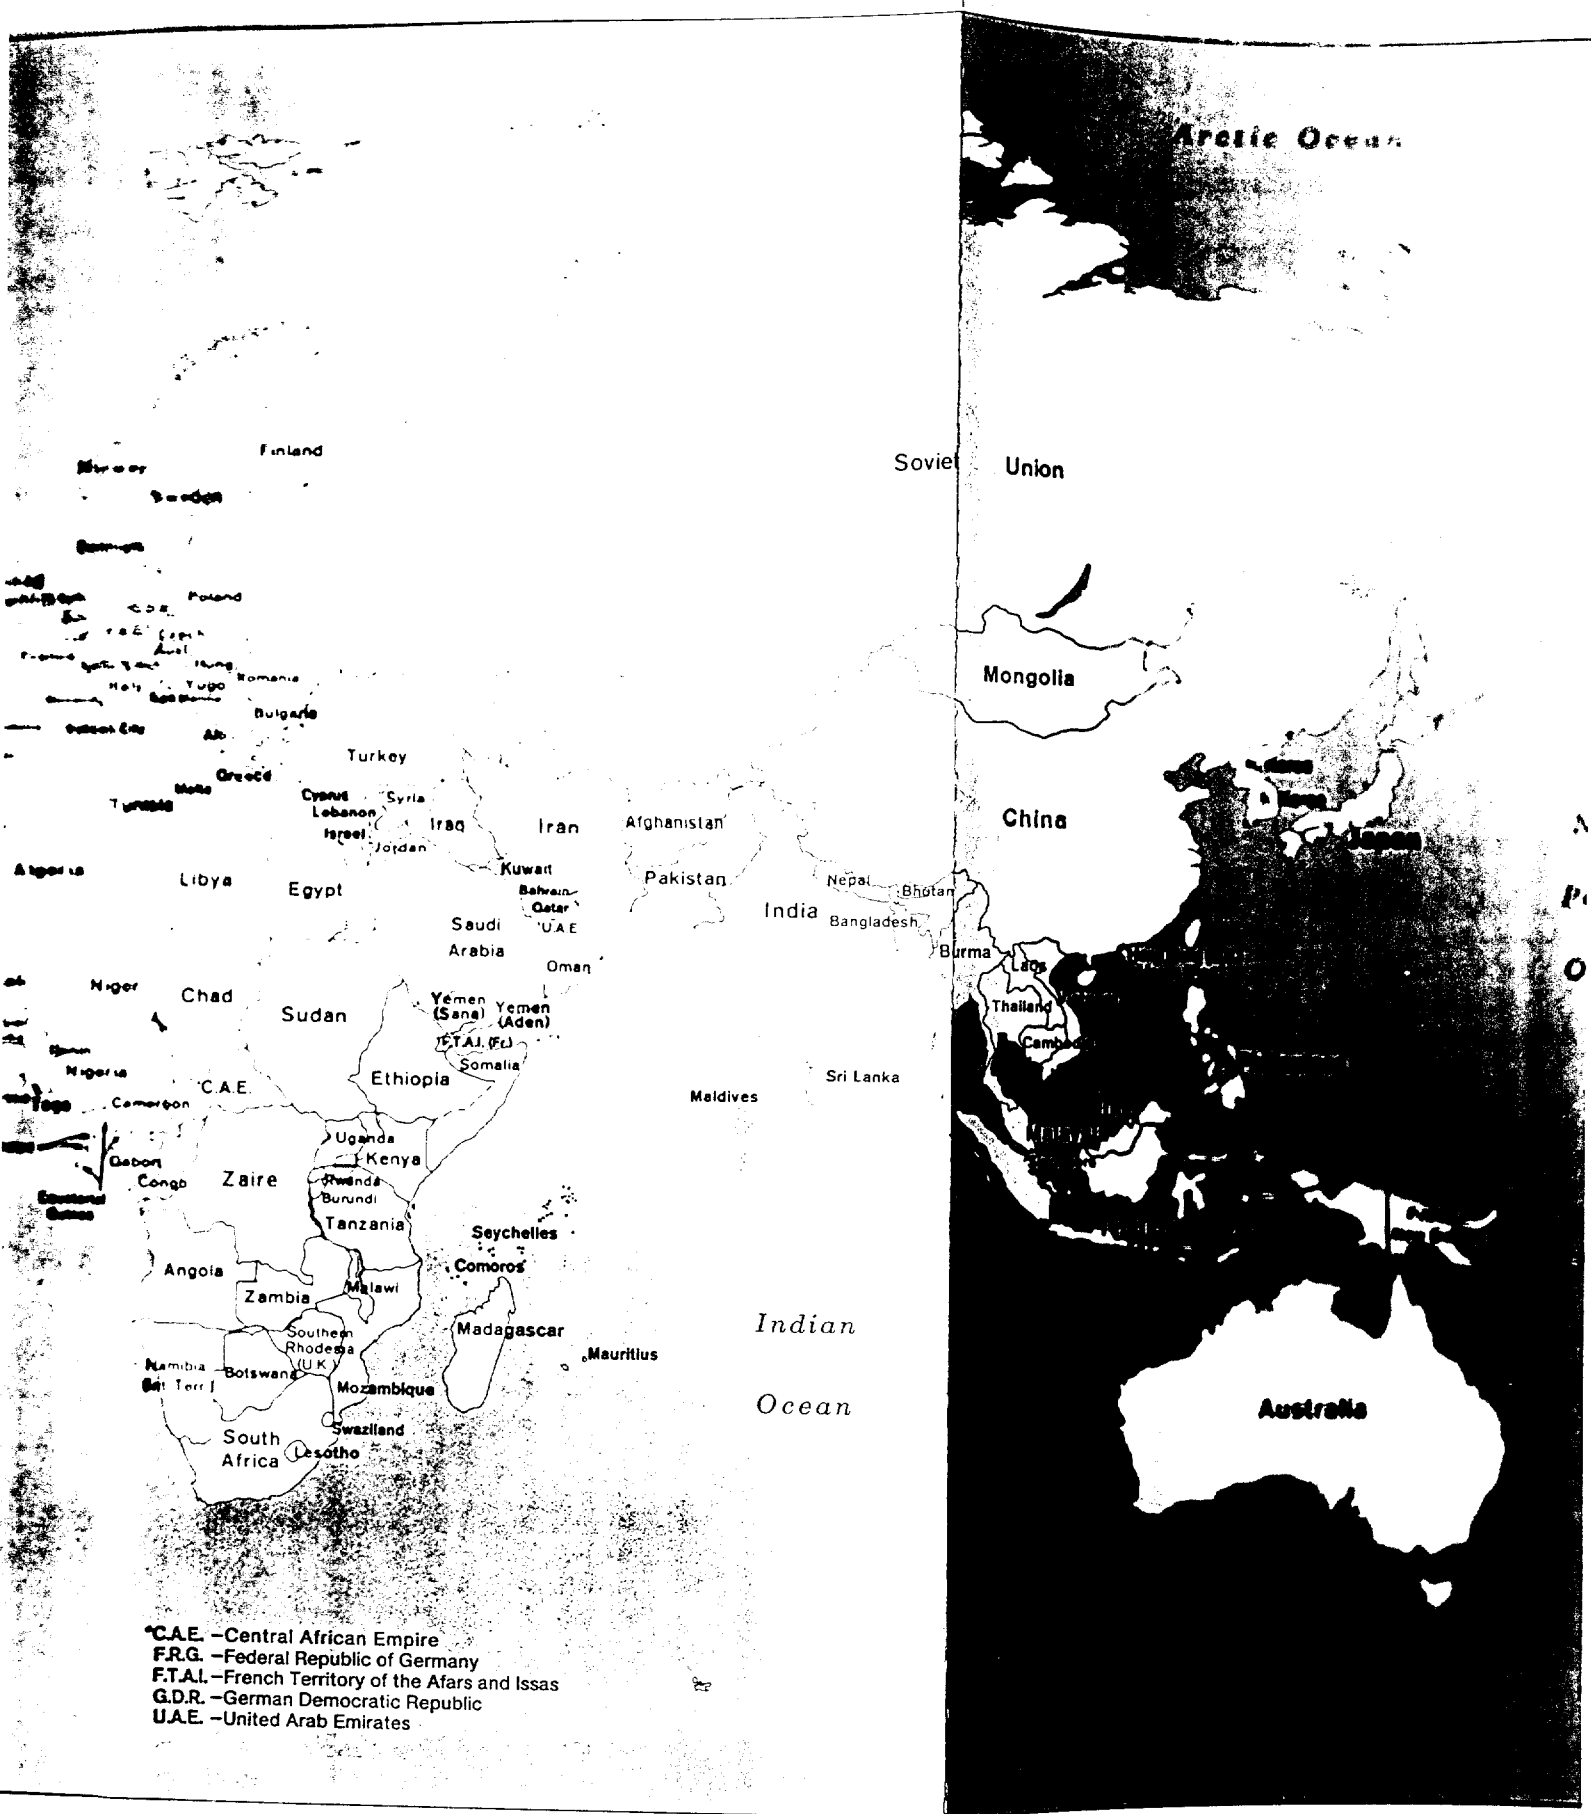

25X1A

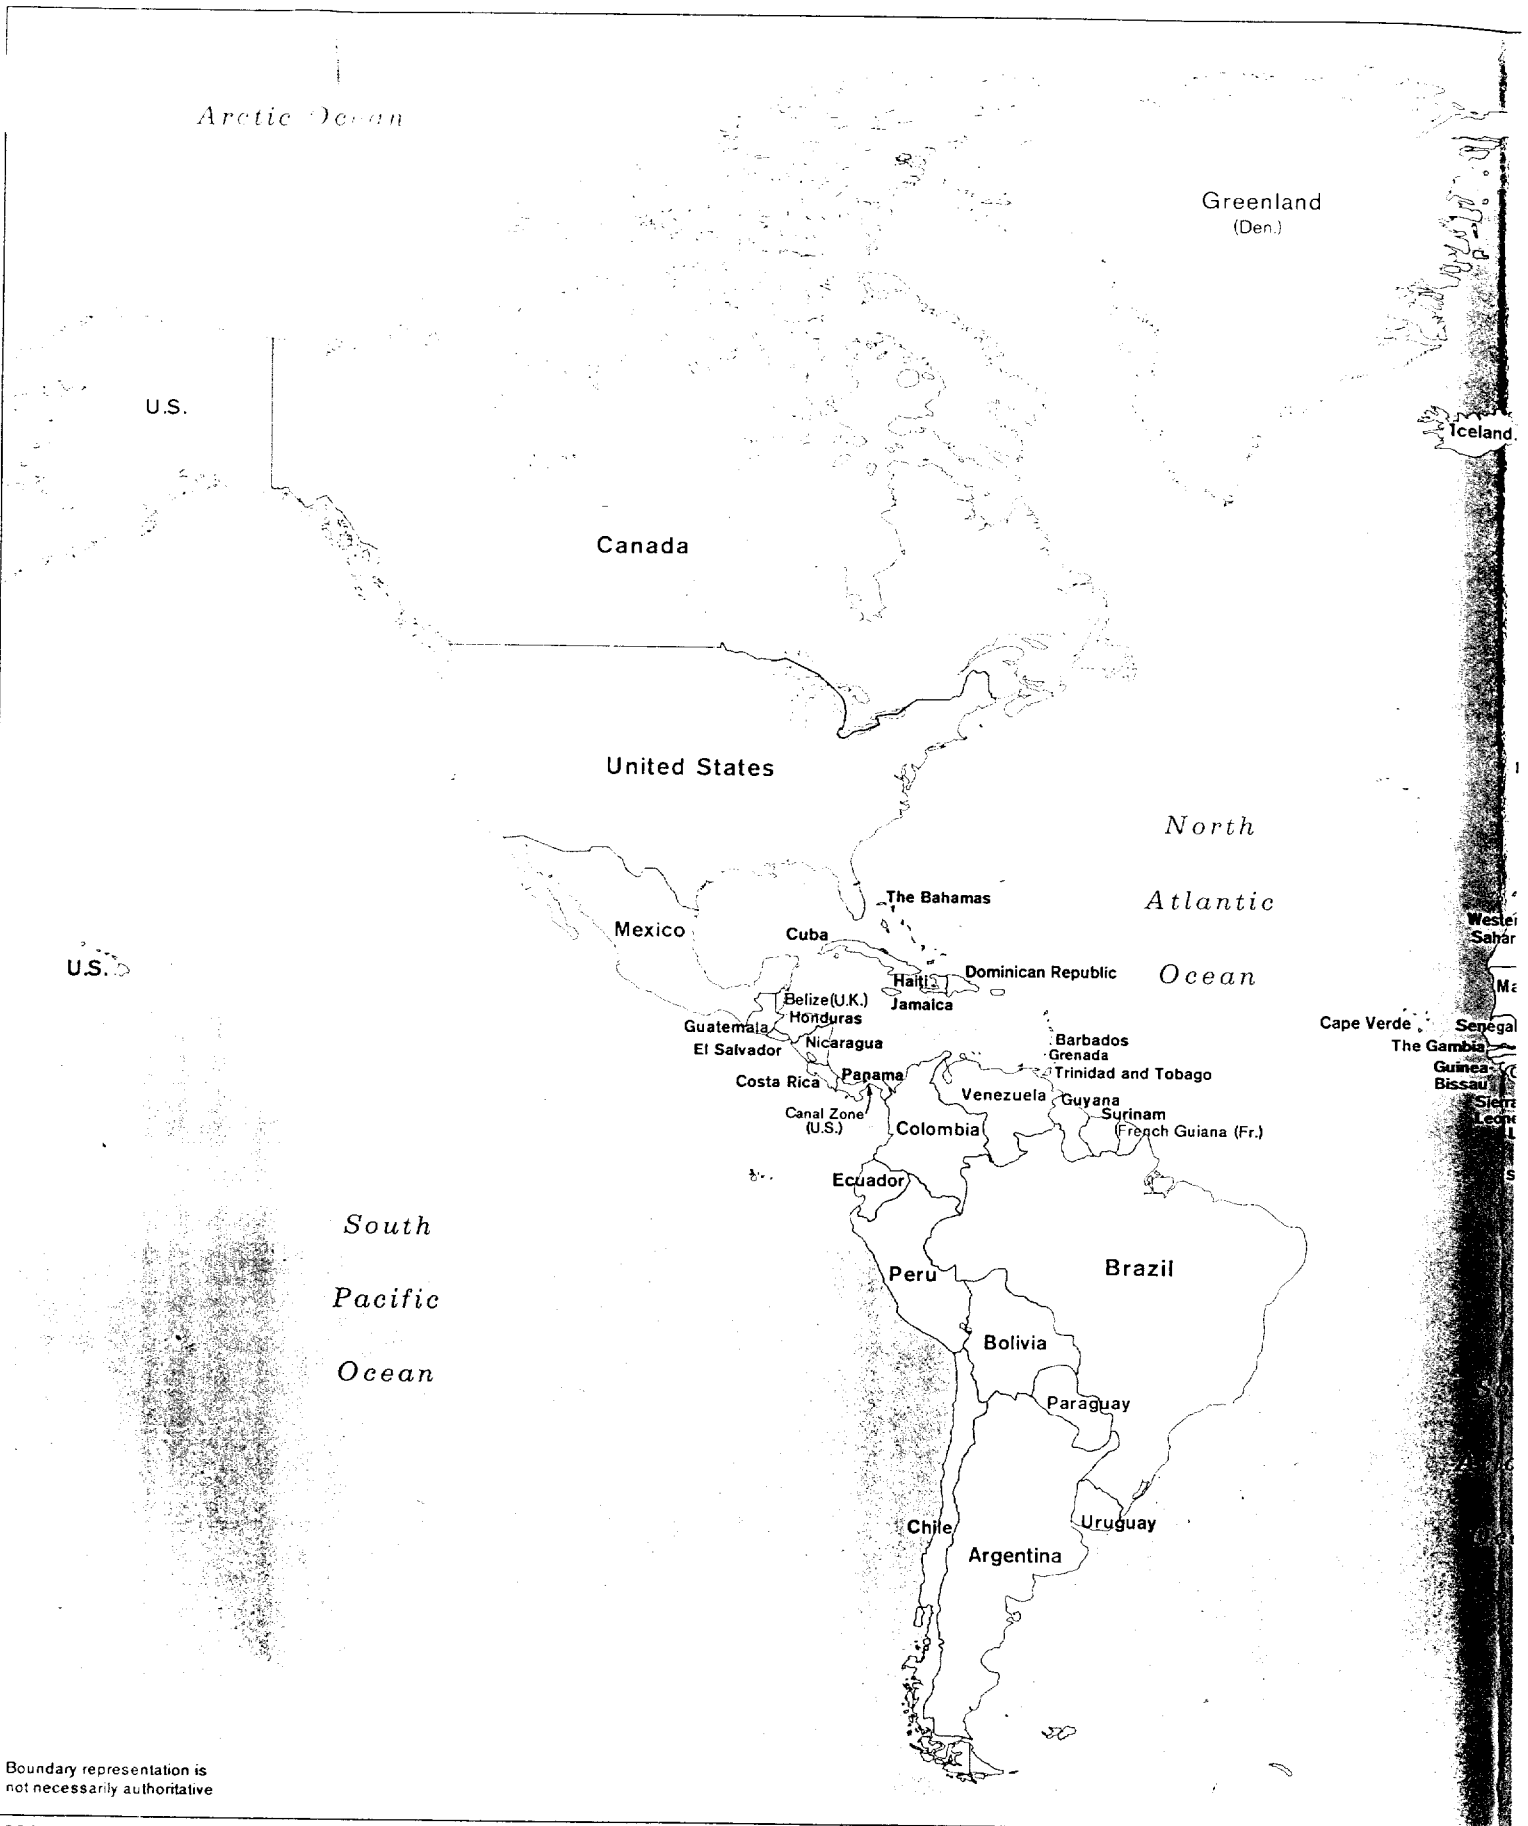

Needs more positive program
