Dear Chuck:

Item 6 of above Production List calls out: Six (6) each F2607-2. Please change Item 6 to read as follows: Six (6) each F46400-9.

Part Number F2607-2 is obsolete. If possible, please cross reference so that you will order part number F46400-9 in place of it in the future.

Best regards,

STATOTHR
