Dear Dick:

Subject: Contracts Nos. BC-450, ~~CS-100~~ and CS-500

Enclosed are three copies of Contract No. CS-500 for your review and signature. This contract replaces Contract No. CS-100.

As discussed with you Contract No. CS-500 covers technicians only while in an overseas status. Technicians being trained, and awaiting assignment, are to be charged to Contract No. BC-450. Authorizations for training will be covered by Headquarter's Contract Approvals. In-plant, on-site and other Contractor's plant reorientation of technicians between assignments is subject to further discussion as to the requirement for same and the length of time involved. Likewise, training is subject to an agreement as to the time required to properly train the individual. In the event reorientation is agreed upon the cost thereof will be charged to Contract No. BC-450 and also will be covered by a Headquarters Approval.

The provisional billing rates for Contract No. CS-500 and funds allocation was arrived at as indicated in the attached document.

Very truly yours,

LAM
