Dear Walt:

Our Contract No. OS-100 covers furnishing of the following types of services:

- (a) In-Plant Reorientation
- (b) On-Site "
- (c) Other Contractor's Plant Reorientation
- (d) Overseas Field Service

This contract provides for price redetermination with the possibility that the last period, i.e., 1 July 1957 - 30 June 1958, may have fixed man month rates. During recent negotiations it was agreed that the above mentioned period would be subject to price redetermination.

The Contractor by letter dated 29 April 1958, LN-216 submitted his estimate for continuing Contract No. OS-100 for the period 1 July 1958 thru 30 June 1959.

We are desirous of establishing fixed man month rates for FY 1959 if at all possible. Also, consideration is being given to the preparation of a new contract rather than extending OS-100. It is requested that you submit your comments and/or recommendation for fixed man month rates for the new period. Please use the Contractor's copy of the above mentioned proposal.

Your early reply is requested in order that a contract may be written if possible by 1 July 1958.

Very truly yours,

Dan

We are in no better position to fix rates now than we were a few months back. This contractor is constantly switching personnel (Prop. Sec.) who are indirect pers to a Direct Base.
