Hycon has submitted in their letter of 30 January 1958 a fixed price proposal for a continuation of Contract No. OS-100 for the period 1 July 1957 through 15 November 1958. It is possible that the period of the contract will run into January 1959 to allow for return of the employees, taking vacations, etc.

Since new job classifications are included in this proposal some of which were formerly covered by Contract No. FS-99 which expired on 30 November 1957, we are amending Contract No. OS-100 to include their proposal on a provisional basis. Upon receipt of your comments and/or approval we will be in a position to consider amending Contract No. OS-100 to provide for fixed amounts. Please use the Contractor's copy of their proposal as we do not have additional copies available for transmittal herewith.

Very truly yours,
