Dear Herb:

It would be of material assistance to us in the conduct of work on the System No. 4 study program if we could secure one copy of each of the following reports prepared by the Air Technical Intelligence Center at Wright Air Development Center. Titles and numerical identification have been obtained through a mutual acquaintance at [redacted].

25X1A

1. TR-EL-24, Evaluation of East German RVG-903B Mobile Decimeter Radio Relay Equipment (dated 29 October 1954).
2. TR-EL-45, Analysis of Soviet Decimetric Radio-Relay Equipments (4 August 1954).
3. TR-EL-45-1 Mobile Decimeter Communication System RDS-1A (16 August 1954).
4. TR-EL-45-6, East German Carrier Telephone Equipment ME-8 (dated 30 September 1954).
5. TR-EL-45-7, Telegraphy Equipment FT-3B (dated 16 August 1954).

Sincerely,

[redacted signature]

25X1A

Burt
