ATTENTION: 

Dear Bob:

Enclosed are two (2) copies of credit memo No. 1405.
These are in answer to your telephone request this
morning.

I had requested this credit memo on June 4, 1958.
However, no action had been taken.

Washington will receive their copies of this credit
memo through the normal channels.

I believe this clears up this particular difficulty.

Best regards,

 25X1A
