MEMORANDUM FOR: Director for Field Activities, OSA

SUBJECT: First Draft of OXCART Tactical Doctrine

1. Attached is a copy of the first draft of a broad outline for a proposed OXCART Tactical Doctrine.

25X1A

2. The suggested format closely parallels the outline used by SAC, TAC and other Air Force commands; it is broken down into the various phases required for the planning and execution of an operational mission. In most cases, each chapter is broken down into the paragraph or sub-paragraph headings that will have to be developed and written by the appropriate Headquarters staff agency [redacted]. Anything in parentheses () throughout the outline is the suggested subject material for that particular paragraph and it must be completely developed.

25X1A

3. After your review, recommend we send one copy of this draft outline [redacted] for comments. Upon receipt of [redacted] input, we can actually assign writing responsibility.
