OLC RECORD COPY 19 MAY 1978

OLC: 78-1942/a

Honorable Jacob Javits
United States Senate
Washington, D.C. 20510

Dear Senator Javits:

Thank you for your note of 5 May 1978 on behalf of your constituent

[REDACTED]

In regard to the specific possibility that [REDACTED] may have been an unwitting target of drug experimentation by CIA, the recently discovered files on Project MKULTRA do contain evidence that research involving human testing was conducted in the fields of behavior control using techniques involving hypnosis, drugs, etc. However, our records indicate such testing on unwitting subjects ceased in 1964. Unfortunately, Project MKULTRA files do not contain the names of persons who may have been used as subjects and we have no way of determining whether or not [REDACTED] was involved.

In order to determine what files or records, if any, this Agency may have on [REDACTED] his letter has been forwarded to Mr. Gene F. Wilson, our Information and Privacy Coordinator, who will initiate an appropriate review of Agency files. Mr. Wilson will correspond with [REDACTED] on this matter and will furnish the results of the Agency's review directly to him.

We appreciate your personal interest. In accordance with your request, I am returning [REDACTED] letter to you.

Sincerely,

K1
[REDACTED]
Acting Legislative Counsel
