

CENTRAL INTELLIGENCE AGENCY
WASHINGTON, D.C. 20505

78-0686/A

17 APR 1978

DRUGS

STAT

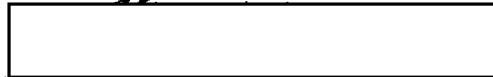

This responds in full to your Freedom of Information Act request made through Congressman Waxman's office to this Agency.

Enclosed is the project proposal on the effects of circumcision, as you requested. There are no additional documents on this subject in the MKULTRA documents.

Since the total cost of this request is less than \$4, I am waiving fees in this instance.

Thank you for your interest.

Sincerely,

Gene F. Wilson
Information and Privacy Coordinator
