STAT

STAT	: [redacted] LLM	DATE OF REQUEST	23 Mar 78
FROM	: RS ABS via PLC	SUSPENSE DATE	

SUBJECT:
Final Response to Senator Kenedy's request for follow-up info from Hearings on MKULTRA drug testing - locating "victims"

NOTES

Attached for the Acting DCI's signature is OGC's response to Senator Kennedy's 13 Mar 78 query re the status of CIA's efforts to locate subjects of CIA sponsored human experimentation.

On 21 March I discussed this case with [redacted] and he said he would prepare a final that was consistent with what was already sent to Senator Inouye on 28 Dec 78.

Since OGC considered this as their action, they have also prepared the background statement for Carlucci.

It should be noted that OGC uses the word unwitting in the very first sentence -- please note this is not in Senator Kennedy's letter.
