39. (Unclassified - RLB) LEGISLATION Spoke with Ms. Nanette Blandin, OMB, concerning the Civil Service Reform legislation. Ms. Blandin said there was some possible confusion within OMB concerning proposed changes to the legislation, contained in a letter from Civil Service Commission Chairman Allan Campbell to the Congress that would, among other things, exempt intelligence agencies from the provisions of the legislation. Ms. Blandin and I discussed the possibility of a meeting between OMB and the Agency as soon as possible if OMB was not at this time supporting such an amendment to the legislation. She said she would check on this and get back to me.
