Dear Mr. Cary:

Your cooperation now will help us publish the 1978 Congressional Staff Directory earlier and more accurately. Enclosed for your review is a copy of the listing for your Agency as you submitted it last fall and as it was printed in the 1978 Advance Locator this month.

Will you please have one of your aides look it over and make any appropriate changes. Feel free to add any offices or personnel who are most frequently contacted by the Hill, other governmental agencies or departments, or the public. We are anxious to have the listing for your department exactly as you wish it.

Please return your updated listing immediately. If you have additional changes between the day you return the form and March 10, 1978, have one of your staff call Bobbie Rogers at 836-7500 so we can keep the information current.

As a result of the cooperation of our friends in the Government and on the Hill, our directory has grown until it is now recognized as an authority and used widely by government, the legal profession, industry, radio, TV, the press and colleges. More than 8,000 libraries now make this directory available to readers as a reference.

Thank you for your help and cooperation.

Sincerely,

Charles B. Brownson
