25X1 11. [REDACTED] EMPLOYMENT Spoke with Clay Swanzy,
25X1 in the office of Representative Jack Edwards (R., Ala.), who requested
25X1 an employment interview for a constituent, [REDACTED] I subsequently
25X1 spoke with [REDACTED] and an appointment was scheduled for tomorrow
at 2:30 p.m. with [REDACTED]

25X1 12. [REDACTED] LIAISON Called Mike Epstein, Senate Select
25X1 Committee on Intelligence staff, and arranged for him to meet this morning
25X1 with Don Gregg, SA/DO/O, regarding the [REDACTED] 25X1
[REDACTED] After a discussion between Gregg
and Epstein covering why Epstein needed to see these reports, and the
Agency's hope of developing a better relationship with the Committee on
these kinds of issues, Epstein reviewed the reports. Later Epstein said
he was shooting for 15 April for a first draft of his report on the Committee's
25X1 [REDACTED] investigation. He said the only thing he can fault the Agency for is that
25X1 no analysis was done of the substantial amount of information on [REDACTED]
activities, in order to develop the big picture. Generally he said the Agency
appears to have disseminated appropriately its information on this subject.
Epstein said his overall conclusion will be that Government policy makers
must decide whether or not to be concerned about activities of friendly
25X1 foreign intelligence services in the United States. He said there are pros
and cons on this issue but that the Government has been aware of [REDACTED]
activities since 1963 and nothing was done.

25X1 Epstein also reviewed the report prepared in response to a Committee
25X1 letter regarding the allegations of [REDACTED] He has one minor
follow-up question.

25X1 13. [REDACTED] LIAISON Received a call from Pat Norton,
Senate Select Committee on Intelligence staff, who said he needs an answer
to his inquiry on whether Representative Morris Udall's (D., Ariz.) staff
can see transcripts of Agency testimony before the Joint Committee on
Atomic Energy. I agreed to let him know tomorrow.

25X1 14. [REDACTED] LIAISON Called David Bushong, Senate
Select Committee on Intelligence staff, and told him I would be making final
arrangements for the briefing of Senator Barry Goldwater (R., Ariz.),
Committee Vice Chairman, on Namibia. Bushong gave me further
clarification of what he believes Senator Goldwater is seeking.
