25X1 Dear Mr. [REDACTED]

I have your recent letter concerning your personal property and the arrangements you made with [REDACTED] while you were stationed in Vietnam. 25X1

25X1 While I sympathize with your position in this matter, I have no power to force [REDACTED] to turn this property over to you. The arrangements you made [REDACTED] 1973 were personal in nature, and I would therefore suggest that you contact him directly. 25X1

Very sincerely,

Dear Mr. [Redacted]

Your letter of 15 September 1977 to Admiral Turner has been referred to me for response. In your letter you allege that certain drugs were used on you without your permission. The recently discovered files of Project MKULTRA do contain evidence that research involving human testing was conducted in the fields of behavior control using techniques such as hypnosis, drugs, etc. Our records indicate though that such testing on unwitting subjects ceased in 1964. Therefore, we have no evidence whatsoever that you were involved in the MKULTRA Program.

As regards your other concern -- your lost tapes and films -- we have questioned [Redacted] and he has provided information relating to his dealings with you in this situation. We have determined that any arrangements between you and him about your tapes and films were personal in nature and had no bearing on his official duties at the time. Accordingly, the Agency will take no action in regard to your claim against Mr. Henry since this personal matter is not within the responsibility of this Agency.

25X1

Sincerely,

[Redacted Signature]
