25X1 11. [] THIRD AGENCY Called Jim Hoobler, Department of Justice, to inquire on the progress of FBI authorization and appropriations. Hoobler says the Justice authorization is just about to be reported (H. R. 12005). It provides annual authorization and a total amount for FBI with no breakout for intelligence. He did not know how the House Judiciary Committee was progressing on H. R. 12240 but would inquire. He says the Subcommittee on State, Justice, Commerce and Judiciary of the House Appropriations Committee has already marked up but not reported. He thinks the FBI will wind up with an increase over the President's budget.

25X1 12. [] LIAISON Dan Childs, Senate Select Committee on Intelligence staff, reported that he talked with Chairman William D. Hathaway (D., Maine), Subcommittee on Budget Authorization, about meeting with the Director and the Chairman said that he would take care of it. Childs thinks that Chairman Hathaway means to call the Director and conduct their meeting by phone.

25X1 13. [] LIAISON Called Chuck Snodgrass, House Appropriations Committee staff, and arranged for the Director to meet with him at 4:45 p. m. on Tuesday, 9 May, in his office, H-135 of the Capitol.

25X1 14. [] LIAISON Received a call from James H. Thessin, Senate Foreign Relations Committee staff, who asked if he could start receiving the classified "International Energy Biweekly Statistical Review." He also asked if he could receive back issues of this publication (since December 1977). I told him I would check and get back to him.

25X1 15. [] LIAISON Accompanied Senator Jake Garn (R., Utah) and Stan Taylor, Senate Select Committee on Intelligence staff, to a briefing by Sid Graybeal, D/OSR, on the Standing Consultive Committee, which Graybeal formerly headed. The briefing is one in a series Senator Garn is receiving on SALT-related issues. After the meeting, Taylor met with [] both of OER, to discuss the paper he has written on the 1977 OER publication on Soviet oil.

25X1 16. [] LIAISON Called Earl Eisenhower, Senate Select Committee on Intelligence staff, and discussed with him the timing for the briefing on counterintelligence to be given to the Committee. Eisenhower is going to inquire whether 15 May would be a good date.

23. [redacted] LIAISON Saw and talked to Dick Giza, House Permanent Select Committee on Intelligence staff, several times with regard to Representative Charles Rose's (D., N. Car.) meeting with the Director on 4 May. Mr. Giza repetitively assured me that the only topic he had any reason to believe that Representative Rose would raise with the Director was the subject of CIA's providing NIE's to the Hill, with particular regard to Mr. Rose's Subcommittee on Evaluation.

24. [redacted] LIAISON Saw Alan Brown, House Permanent Select Committee on Intelligence staff, who said that the Committee is not interested in receiving Agency guidance on handling codeword cover sheets and that they prefer to handle them as they have in the past. He requested that I obtain and forward the codeword cover sheets that we had previously discussed.

25. [redacted] LIAISON Carol Wiik, Registry Clerk, House Permanent Select Committee on Intelligence, asked for 30 copies of each of the following two unclassified publications: "International Terrorism, 1976," and "International and Transnational Terrorism: Diagnosis and Prognosis."
